haneyw@cocke.k12.tn.us

Algebra I-Honors is a course that allows students to prepare for the next level of honors math at the high school level. This class is designed for Freshmen who want to move on to Algebra 2-Honors and Geometry Honors.

The purpose of this one semester class is to help prepare college-bound students to be prepared in the honors math courses at the high school level. In this class, you will receive intensive instruction in Algebra I-Honors. We will cover as many of the Algebra I standards that we possibly can.

Grading Policy

Grading Scale

90-100	A
80-89	B
70-79	C
60-69	D
