

Cosmetology Syllabus

Niswonger Online Course Syllabus

Cosmetology I

Course Description

Cosmetology 1 is the first level of Cosmetology. This introduction is presented via theory applications and prepares students with work-related skills for advancement into the 2nd level of Cosmetology. The theory content provides students the opportunity to acquire basic fundamental skills of leadership and interpersonal skill development. The course content stresses safety, environmental issues, and protection of the public and is integrated with principles of hair design, nail structure, and cosmetic procedures. Each student will be able to complete training to receive certification for mixing disinfectants such as Barbicide. Students will view procedures for decontamination of tools in accordance with OSHA and EPA guidelines.
