This request form requires that both parents and students sign that they understand and accept the school's terms for taking the remote learning pathway.

Students:

- Students may only take courses approved by the school.
- During the remote learning, the student's behavior in the class will be appropriate behavior for any class. The student will be focused and working on classwork, respectful to the teacher, respectful to other students, and referred to the principal for inappropriate behavior.
- Repeated behavioral issues may result in the student being denied permission to take other on-line classes. This includes not staying current with the on-line work and plagiarism of work.
- Students who do not work on their courses and give the false impression of doing so may fall behind and receive an F for the course.
- Students may NOT DROP a course once in process. Even if the grades are poor, the student may not withdraw from remote learning until the end of the semester. The fall semester runs August to December and the Spring semester runs January to May.
- Students will still be required to attend the brick and mortar building for state testing in grades 3-12. This refers to any TNReady/EOC course and the ACT and ASVAB.
- Incomplete work or attendance will result in an F grade in the academic records.
- The student must have all required signatures on this form before he/she will be approved for a course.
- Students who violate these terms will lose the opportunity to take other on-line classes in the future.
