

New Student Online Registration - Aspen Access

If your family is new to our school district, you will need to request an Aspen family portal account in order to register your child(ren) in the Cocke County School District:

- 1) Navigate to the Aspen login page at <https://sis-cocke-county.tnk12.gov>
- 2) On the bottom right, click "Request Account" and follow the instructions.
- 3) Once the account is set up and you are logged in, click the "New Student" tab to begin the student online enrollment process.

If your family already has students enrolled with Cocke County Schools, but you do not currently have access to the family portal, email us at aspenhelp@cocke.k12.tn.us to request access.
